# Welcome from Japan Hockey Association - 1

Dear Masters Hockey Friends,

First of all, I would like to thank WMH and masters hockey officials of national associations from across the world for your support for the WMH World Cup in Tokyo in 2022. As you are well aware, all WMH events scheduled to be held in 2020 and 2021 were postponed, so I would like to take this opportunity at last to welcome you all to Tokyo!

We have secured the two pitches at Oi Hockey Stadium, where the postponed Tokyo Olympic hockey was held in 2021. This will be the first time ever for a Masters World Cup to be held on official Olympic pitches, and we are sure the visiting teams and officials will enjoy the world-class facilities, and playing hockey on the near-perfect surfaces.

This event in the metropolitan area of Tokyo will also show the city inhabitants how senior people from all around the world are enjoying this sport as a life-long pastime. With life expectancy now reaching over 100 years, particularly here in Japan, I am sure that this tournament, showcasing some of the world's fittest 60-80 year-olds, will impress many first-time viewers! (continued next slide...)

Junichi 'Jimmy' SEKIYA  
President - Japan Masters

# Welcome from JHA - 2

We would also like to acknowledge the enormous contribution of Mr Wim van Noortwijk to international Masters Hockey for the over 60s categories. Sadly, he passed away two years ago and this is the first World Cup to be held without his indomitable energy and drive. We miss him greatly and know he would be very proud to see us all gathering together again like this in Tokyo.

Masters Hockey brings us meaningful chances for enriching our life, making new friendships, and connecting world societies. I am convinced that this WMH World Cup in Tokyo in 2022 will bring us all a great opportunity to revive old connections and create new friendships among international masters hockey players.

After such a long wait, we are really looking forward to welcoming all of the teams, officials, family members, and friends to the WMH World Cup in Tokyo. Yokoso and See you soon!

Very best wishes from,  
Junichi 'Jimmy' SEKIYA  
President - Japan Masters

# COMPETITION & TRAINING - 1

## Teams Competing

We have 27 teams, representing 12 countries, competing at this World Cup event.

There will be games taking place all day long over the eleven days of the tournament on the two Olympic pitches at Oi Hockey Stadium.

Country/Team	O60	O65	O70	O75
Australia				
Canada				
England				
Ireland				
Italy				
Japan				
Malaysia				
Scotland				
Singapore				
South Africa				
USA				
Wales				
Japan SoM				
Alliance SoM				
Southern Cross				

# COMPETITION & TRAINING - 2

## Competition Format

The teams will compete in the following pools:

Over 60 Men		Over 65 Men	Over 70/75 Men	
Pool A	Pool B	Group	Pool A	Pool B
ENG JPN RSA ITA CAN JPN SoM	AUS SCO USA SGP MAS SouthX SoM	AUS JPN IRE RSA USA MAS SouthX SoM	AUS 70 JPN 70 SouthX SoM JPN 75	WAL 70 RSA 70 ALL 70 SoM JPN 70 SoM

The winners of a match will be awarded three points, with one point awarded to each team in the event of a draw and zero for a loss. After all matches have been played, the ranking in each pool will be determined by total points, with ties broken by the total number of wins, then goal difference, then goals scored, then the result(s) of the match(es) between the two or more tied teams, then the number of field goals. If the teams remain tied after all these tiebreakers, a shoot-out competition (or penalty stroke competition for O/70s) will be held to determine the rankings.

# COMPETITION & TRAINING - 3

## Competition Format

The match schedule created by WMH and can be found at:  
[https://drive.google.com/file/d/12HB9auG9JoOqCaOiK1JTG2ci\\_mglOGRJ/view](https://drive.google.com/file/d/12HB9auG9JoOqCaOiK1JTG2ci_mglOGRJ/view)

The teams have been allocated to several pools based on their seedings. The format of the competition will be as per WMH Competition Handbook Part B

## Over 60s Men

10 teams, 2 SoM teams

Pool A: 6 teams & Pool B: 6 teams

SoM teams ranked 6th in each Pool

Round Robins followed by:

Class 1-4: 4 team Semi-finals (1st & 2nd in each Pool)

Class 5-8: 4 team Classification (3rd & 4th in each Pool)

Class 9 & 10 Classification Match (5th A v 5th B)

Spirit of Masters (SoM) Final (6th A v 6th B)

## Over 65s Men

6 teams, 1 SoM team

One Pool 7 teams

SoM team ranked 7th in Pool (SoM Final not applicable)

Round Robin followed by:

Class 1 & 2 Final (1st v 2nd in Pool)

Class 3 & 4 Classification Match (3rd v 4th in Pool)

Class 5 & 6 Classification Match (5th v 6th in Pool)

## Over 70-75s Men

4x70 teams, 3x70 SoM teams, 1x75 team

Pool A: 4 teams & Pool B: 4 teams

75 team ranked 4th in Pool A (Final not applicable)

70 SoM team ranked 3rd in Pool A;

70 SoM teams ranked 3rd & 4th in Pool B

Round Robins followed by:

70 Class 1-4: 4 team Semis (1st & 2nd in each Pool)

70 Spirit of Masters (SoM) Elimination & Final

(3rd A v 4th B; Winner v 3rd B; Loser ranked 3rd)

75 team & 70 SoM teams non-competitive matches

# VENUE INFORMATION – 1 (OHS – Overview from West)

## Oi Hockey Stadium

The hockey competition will be held at Oi Hockey Stadium in Oi Central Seaside Park next to Tokyo Bay. This was the venue for the Olympic hockey in 2021 at the historic, postponed Tokyo Olympics. The nearest train station is OiKeibajo-Mae on the Tokyo Monorail and is about 10-15 minute walk **from** OHS.

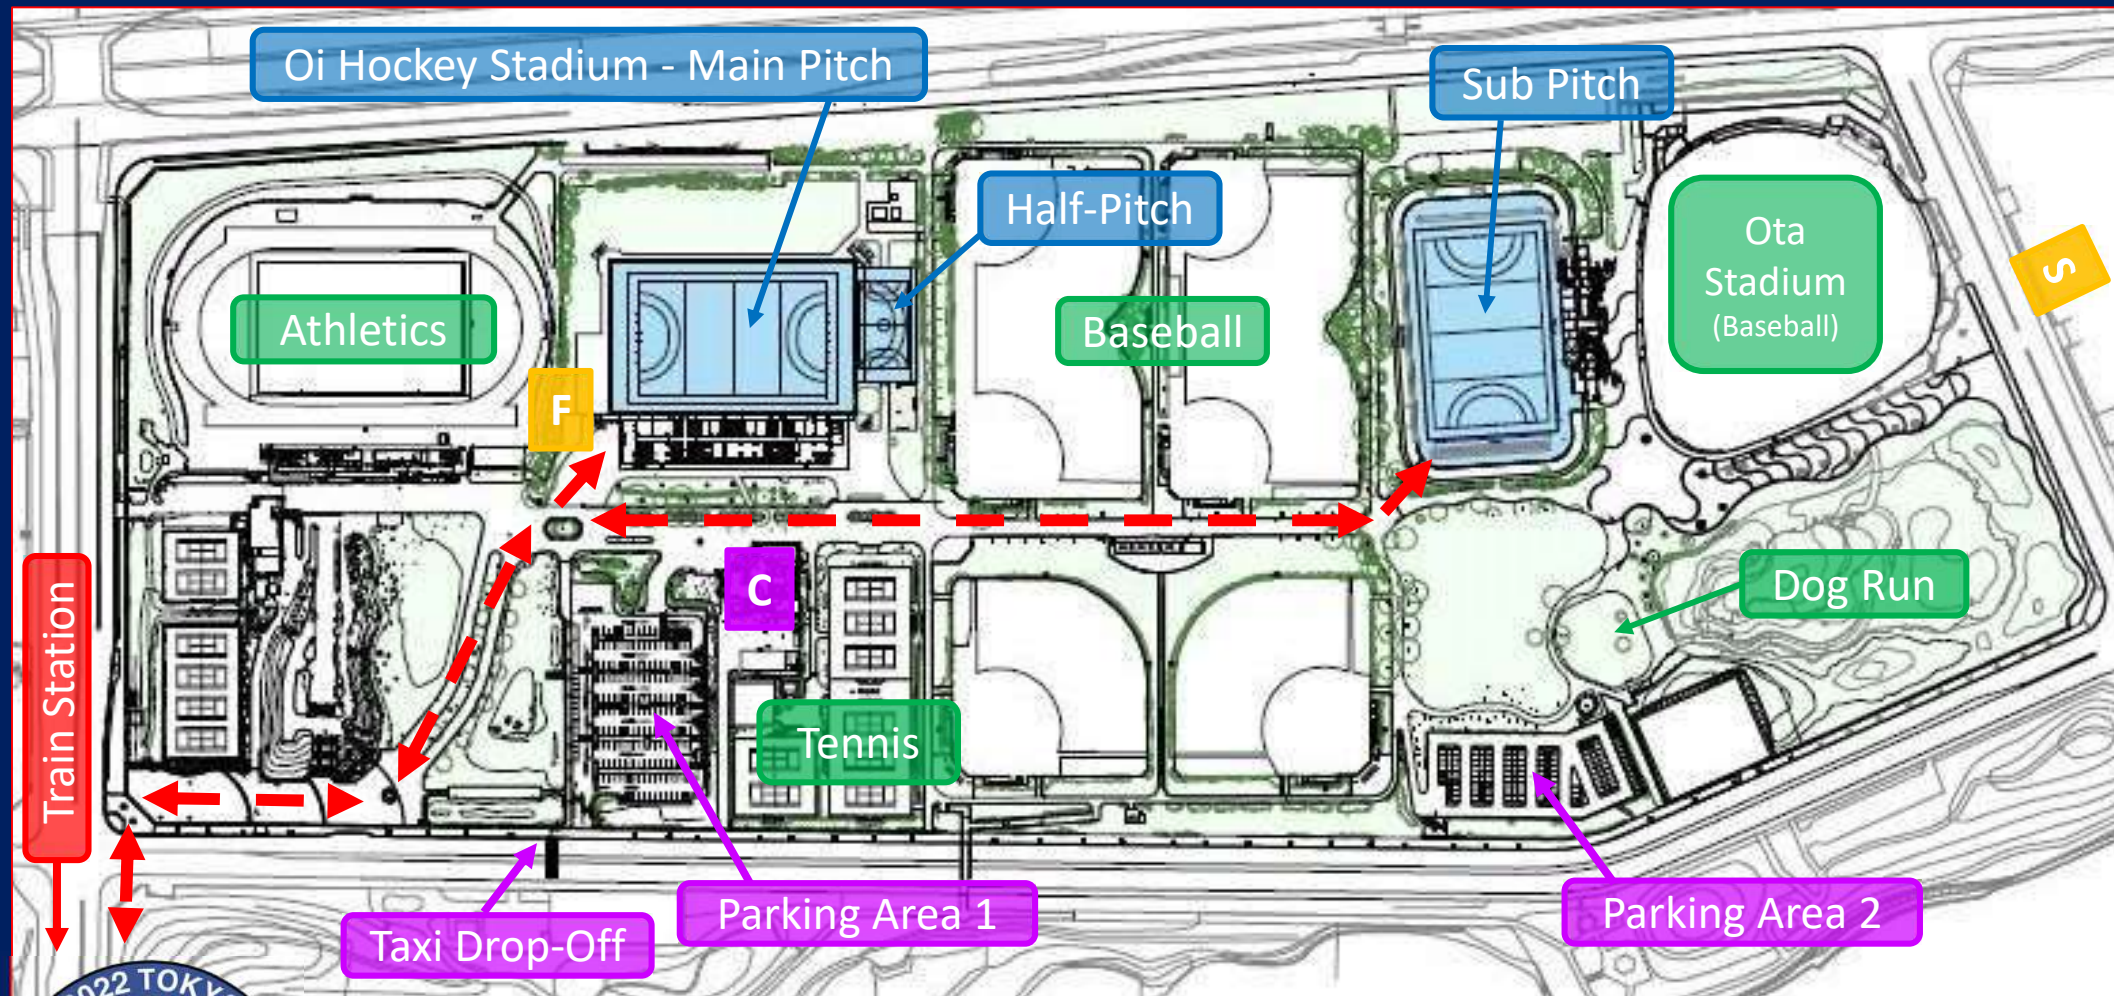

At Oi Hockey Stadium there are two Olympic-standard water-based pitches with the stand of the Main Pitch holding 2600 spectators, and the Sub Pitch stand holding 500 spectators. The two pitches are within the same park facility but separated by an area of baseball fields, requiring a walk of about five minutes or more from pitch to pitch. On some days members of the public will be using the other sporting facilities located within the park (baseball, tennis, dog-run), so we will often be sharing some of the pathways outside the pitch areas with local people.

## VENUE INFORMATION – 2 (OHS Venue Map – Eastern View )

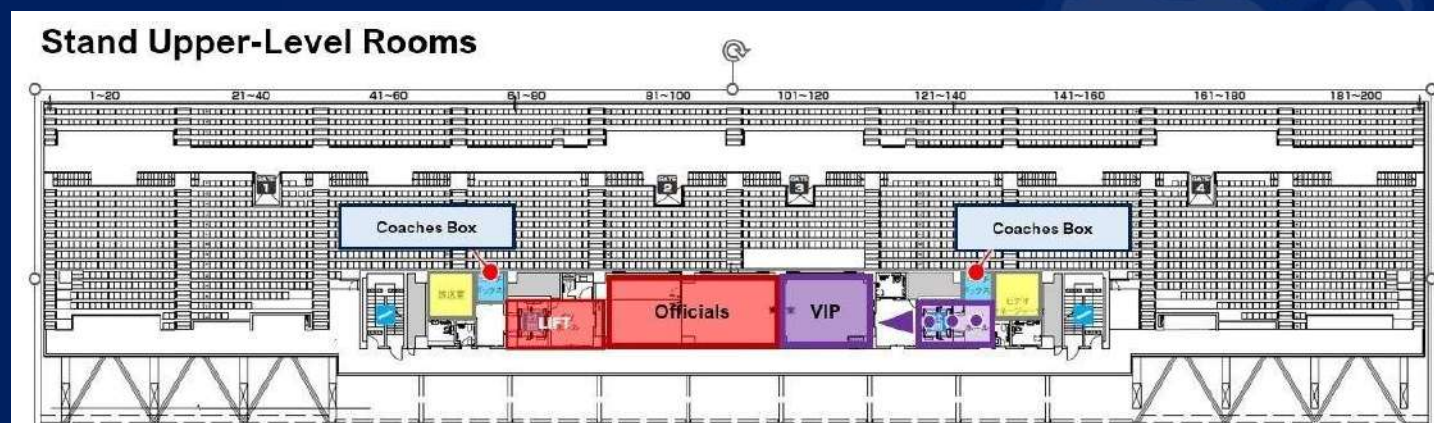

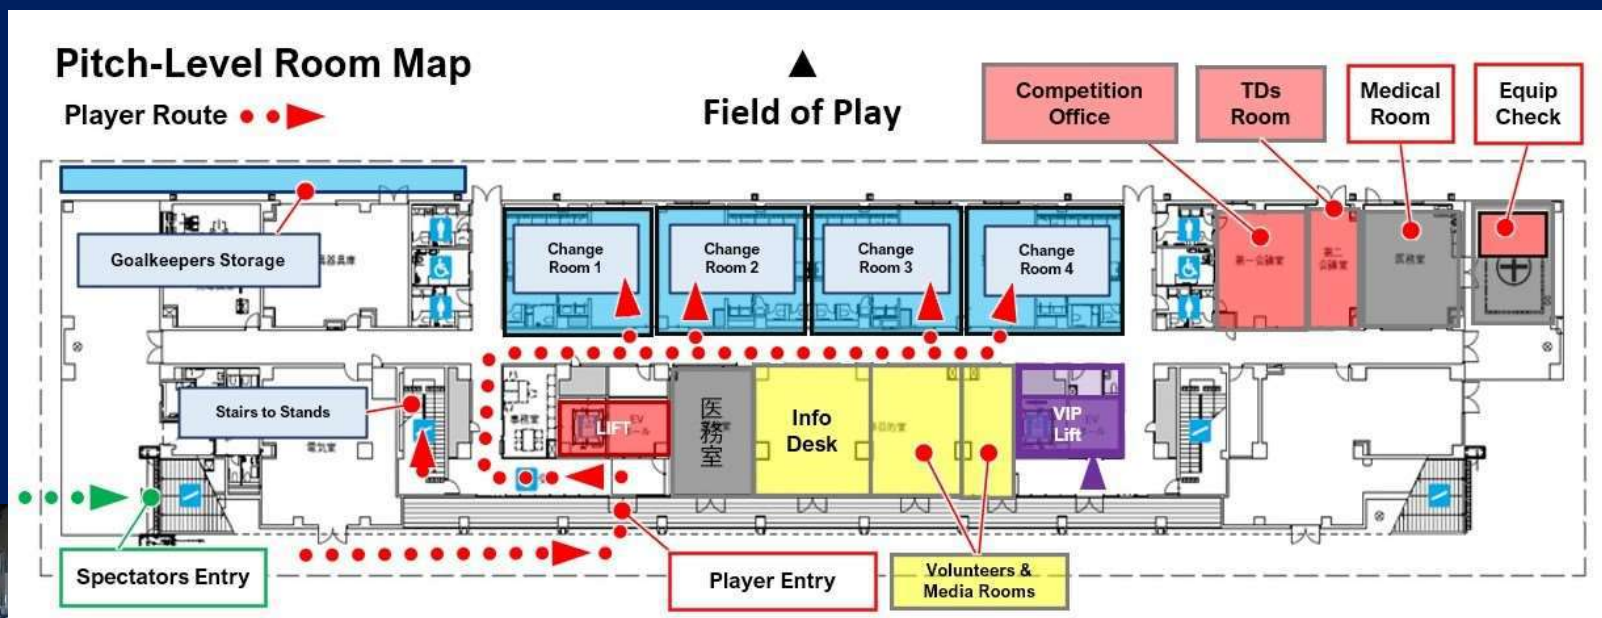

Red line indicates walking route from Station. 'F' = Food Trucks  
'C' indicates Park Centre Office. 'S' indicates Convenience Store

## VENUE INFORMATION – 3 (OHS Main Pitch Rooms)

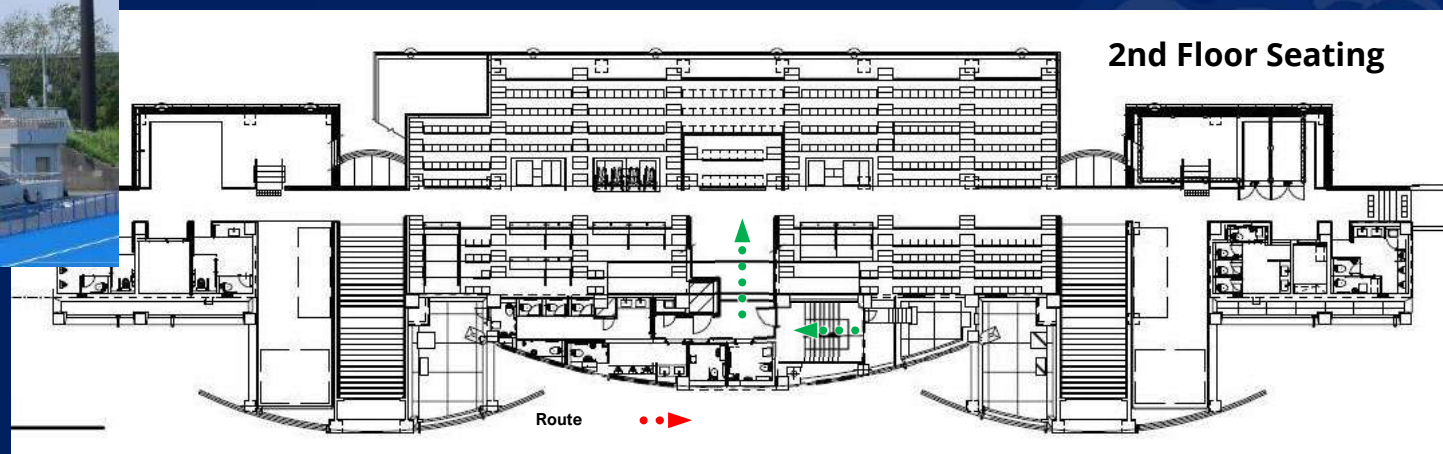

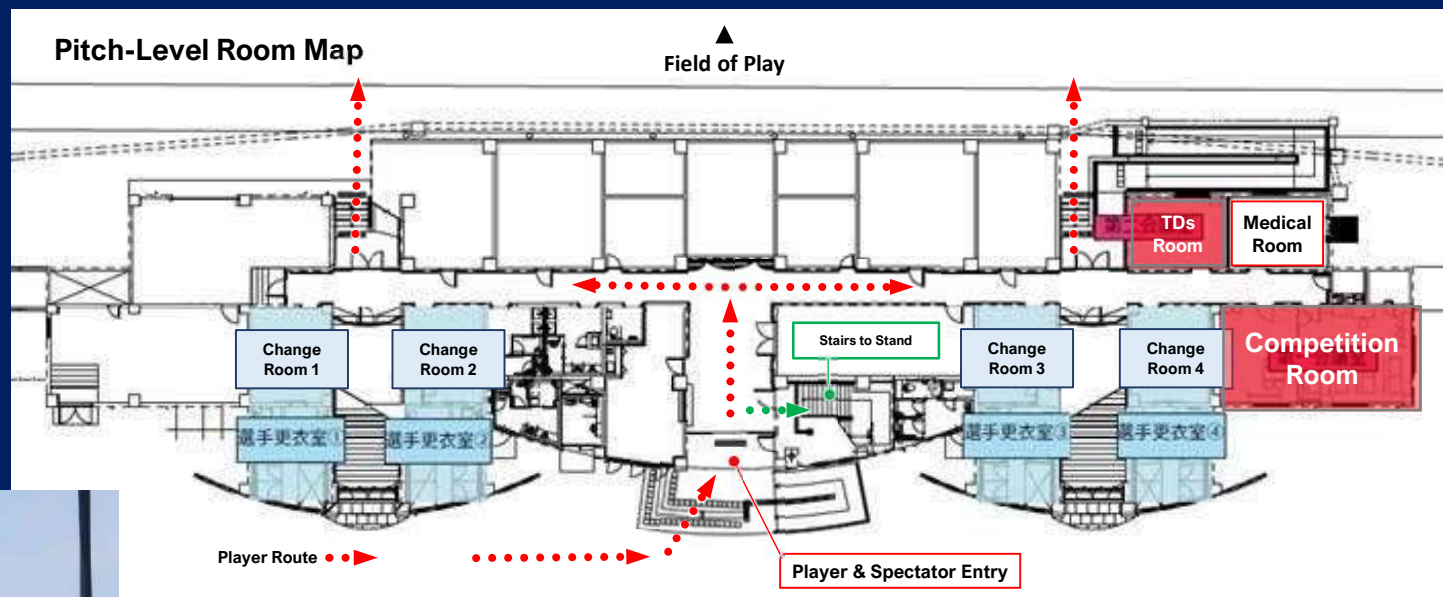

## Undercover Area for Equipment Check

# VENUE INFORMATION – 4 (OHS Sub Pitch Rooms)

# TEAM INFORMATION - 2

## Changing Rooms

We have eight (8) dedicated changing rooms for the tournament. A schedule has been prepared to allow every team to have 40 mins before the game (until 30 mins before centre pass) and 40 mins after the game (from 15 mins after end of game). Your individual team schedule will be shared with you in October. We ask that you respect other teams and try to keep to the times allocated and to leave the changing rooms in a condition that you would wish to find them. All changing rooms have showers, toilets, a whiteboards, and an ice machine. The main pitch has a physio bench in each room.

## Goalkeepers Equipment Room

During the tournament, goalkeepers will be able to leave their equipment in a storage space under the Main Pitch stand. For security this area will be monitored by volunteer staff. Teams will be allocated their own space in the area, and we ask that teams be considerate when sharing this area and leave it as tidy as possible. Teams can also leave other heavy/large equipment such as practice balls and/or storage boxes in the space.

## Video Recording of Matches

There will be designated locations at each pitch from which teams can video. However permission must first be granted for this. Please contact Tokyo HNOC. Mounting a GoPro on the fence behind the goal will probably be allowed.

## Rubbish

There are few rubbish bins at the venue so we ask that everyone takes their rubbish with them where possible, please.

# TEAM INFORMATION - 3

## Team Liaison

Prior to the start of the tournament the main contact for team liaison is Kevin DEMPSTER who can be reached on [kevin.d@iinet.net.au](mailto:kevin.d@iinet.net.au) At the start of the tournament each team will be allocated a Team Liaison Officer (TLO) who will be available to support you with any issues you may be facing. Your TLO will be in touch with you when you arrive in Tokyo.

## Information Desk

There will be several tournament Information Desks – one underneath the Main Pitch stand, and at some team hotels.

## Lost & Found

Please ask at the Information Desks

## Catering at Oi Hockey Stadium

Food vans/trucks will be stationed at the stadium each day of the tournament, offering various types of food, Drinks vending machines are also available in various locations around the venue.

# DIGITAL INFORMATION

**Wi-Fi** Tokyo City has free Wi-Fi points available around the venue, but these have limited strength.

Connect to FREE\_Wi-Fi\_and\_TOKYO

## Event Website

Our website is updated on a regular basis with information on the tournament and also new offers and ideas for how to make the most of your time in Tokyo. Please check in regularly to see developments before the tournament. You can also access additional services and activities that need pre-booking. <https://mhwc2022tokyo.com/>

## Social Media

The Tokyo event will be posting on the WMH Facebook site as well as Twitter and Instagram. Please let us know when you have an update on your team. We would love to hear how your preparations and tournament are going.

## Live Streaming

The final five days of the tournament will be live-streamed at the following YouTube link:

[https://www.youtube.com/playlist?list=PLkI5D8cMpIFCU2TQ-hPell\\_9kw5cPR7zL](https://www.youtube.com/playlist?list=PLkI5D8cMpIFCU2TQ-hPell_9kw5cPR7zL)

# EMERGENCIES & MEDICAL TREATMENT - 1

## Health & Safety - Emergency Information

The Event Management Plan contains procedures for a range of potential incidents. Full details can be found on the Event website at the following link: <https://OOOOOOOOOOOOO> (TBC) . The procedures cover the following areas: Suspicious packages, Lost children or vulnerable adults, Major incident and evacuation plans.

In case of a major incident the Emergency Rendezvous Points are on the actual Hockey Pitches themselves. The areas will be signposted. In case of emergency, Event Management will use the venue speakers to direct people to the appropriate place.

Other urgent situations can be reported at any time to the Information Desk on the pitch-level floor of the Main Pitch stand, or to the Competition Office.

## Medical Facilities

Medical services will be provided in the medical room, near changing rooms at both pitches as well as a response team on the FOPs when required. These teams will be backed up by services at one designated hospital. Medical services will be managed by a head doctor, and trained nurses, positioned at each pitch during competition. Please note: Medical expenses are your responsibility. Please prepare your own protective measures, such as taking out overseas travel accident insurance.

## Case 1

Injuries and changes in physical condition during a game

- First Aid : Team Doctor and Physio support
- Host Country Organizing Committee Medical Support

Contact : Dr. Takeo ARAI

Mail Address : [mhwc2020tyo\\_med\\_arai@a05.itscom.net](mailto:mhwc2020tyo_med_arai@a05.itscom.net)

Mobile Phone : 090-5783-9178

If hospitalization, examination, or (orthopaedic) surgical treatment is necessary, the HNOC doctor will request transport to an emergency hospital.

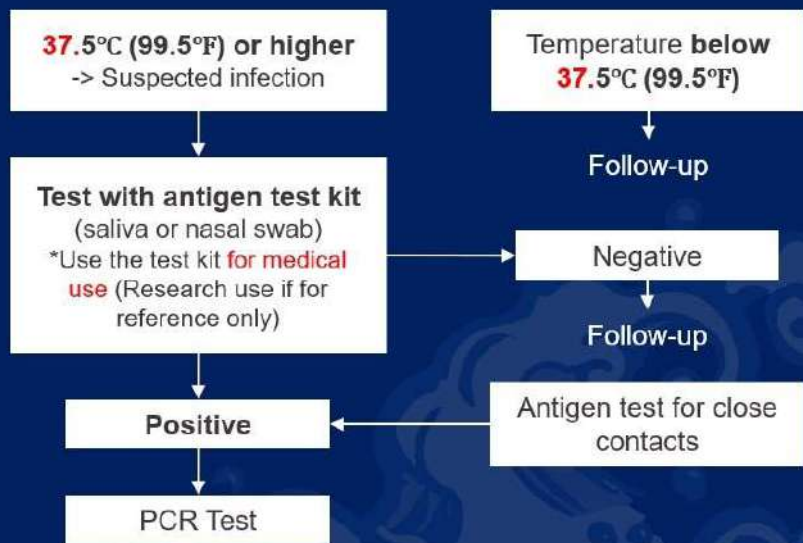

# MEDICAL TREATMENT & COVID MEASURES - 2

## Case 2

Fever/feeling unwell at the hotel and/or during daily activities

- ① Temperature check by individual
- ② Team Doctor examination/diagnosis  
(or hotel/family doctor/examination)

Follow Tokyo's latest infected person regulations link;  
<https://www.fukushihoken.metro.tokyo.lg.jp/english/visitors.html>

## Case 2 (continued)

HNO Medical Organization Medical test kit prep instructions

- The team representative will provide the name and symptoms of the infected person and report to Dr. ARAI.
- In the event of a sudden change in condition while recuperating at the hotel, the patient will be transported to the hospital.

## Case 3

If you need to be hospitalized during the tournament

**Tokyo Shinagawa Hospital** is recommended as a destination for hospitalization and outpatient treatment other than corona infection

Phone : 03-3764-0511

Address : 140-8522 Shinagawa-ku Higashioi 6-3-22

## Postscript

Each team should prepare a considerable number of thermometers (electronic thermometer) and COVID19 (Corona) antigen test kits. HNO will also prepare thermometers, & antigen test kits.

# COVID MEASURES (Precautions)

## Protective Measures against COVID19 Infection at WMH World Cup 2022 Tokyo

### 1. Reminder to the Participants

- \* All participants should monitor their own health carefully by checking their temperature daily and reporting any signs of sickness.
- \* Teams should carry Rapid Antigen Testing kits for checking any members will COVID symptoms.
- \* Team members including Players, Team Managers, Coaches, and other Team Officials should refrain from participating in that day's competition when they detect any health problems.

### 2. COVID Infected Participants must:

- \* Immediately report their condition to the HNOC if they test positive for COVID.
- \* Positive cases must follow the regulations set out by the City of Tokyo for infected persons.
- \* The HNOC will meet and decide about the patient's further participation in the Tournament.

### 3. Precautions Outside the Hockey Stadium

- \* It is strongly requested that participants wear a mask when they are using public transport and taxis.
- \* Please also wear a mask in hotel lobbies, restaurants, & shops.

### 4. Precautions Inside the Hockey Stadium

- \* There will be a temperature check and hand-sanitation station at the stadium entry.
- \* If a fever higher than 37.5C is detected, the person will be asked to not enter the stadium.
- \* Team Meetings should be held outdoors as much as possible.
- \* Please wear a mask when moving between the two pitches.

### 5. Precautions During a Match

- \* Teams should avoid sharing equipment, and should disinfect equipment where sharing is unavoidable.
- \* Protective Face Masks for PCs must be have identification for use by individual players.
- \* Team Bench officials should sit apart where possible and wear a mask. They should refrain from shouting.
- \* Each team must clean and disinfect the bench after their match.
- \* Each team must clean their changing room before they leave.

# TRANSPORT - 1

## Getting to the Venue

The venue is easily accessible by public transport, especially with Tokyo's extensive system of trains and subways. Taxis are also readily available.

## Train Access

The nearest train station is OiKeibajo-Mae on the Tokyo Monorail and is about 10–15 minute walk from the hockey stadium. The next nearest station is Tachiaigawa Station on the JR Keikyu line which takes a 25-30 min walk.

## Train Pass Cards

The easiest way of getting around on the trains and subways is with a pass card which you just tag on and off at the station entry gate. The 'Suica' card and 'Passmo' cards are the most popular, and can be purchased (and recharged) at ticket machines near the entry gate. A new card costs ¥500, and can also be used like cash card at kiosks and vending machines.

# TRANSPORT - 2

## Local Taxi Companies

Local taxi companies: (or easily hailed from roadside)

Nihon Kotsu 03-5755-2336 (English OK)

Taxi Checker 03-3573-3751 (Japanese)

Tokyo Musen 03-3361-2111 (Japanese)

Musen Haisha Centre 03-3406-7171 (Japanese)

Postcode 140-0003

## Parking at OHS

Limited parking facilities are available at the hockey stadium sports park. Please see the map on Slide 13 for the two locations. The cost is ¥200-300 (TBC) per hour.

# SOCIAL & ADDITIONAL ACTIVITIES - 1

## Tournament Dinner

We are delighted that Japan Masters Hockey will be hosting the Tournament Dinner on Friday 28th October. You will be receiving a separate invite to this event. Please ensure that each of your Team Managers have received this information. The event will start at 5:30pm and will be held at Meiji Kinenkan Garden in central Tokyo.

## Opening & Closing Ceremonies

The tournament will be formally opened on Tuesday 18th October. The ceremony will take place on the Main Pitch at 3pm at OHS. All national and team squads are expected to be represented to formally open the tournament.

Following completion of the last final, the tournament will be formally closed in a ceremony hosted by World Masters Hockey and Japan Masters Hockey. This will take place on Saturday 29th October on the Main Pitch at OHC from 4:00pm

## Tokyo Airports

For international travellers flying into Japan, Tokyo has two international airports – Narita & Haneda. Both of these airports are well serviced by transport facilities into downtown Tokyo.

Distance and time from airport by train to central Tokyo:

Narita Airport – 70km in 60 mins (Direct train)

Haneda Airport – 20km in 30 mins (One train change)

Narita is larger with more facilities and more international airlines. Limousine express buses are also available from each airport, and take about the same time.

Further information can be found on the airport websites:

Narita : <https://www.narita-airport.jp/en/access>

Haneda : <https://tokyo-haneda.com/en/access/index.html>

## Japan Rail Pass

If you plan to travel around Japan during your visit for the World Cup, the best way to get around is by the super-express 'Bullet Train'. So it is highly recommended that you purchase a 'Japan Rail Pass', because it can save you a lot of money. The Rail Pass is available for one-week, two-week, or three-week periods. The cost of a one-week pass is about the same as a round-trip ticket from Tokyo to Kyoto, but you would then have the cost-free option of travelling ANYWHERE else in Japan, and on many local lines and buses too – not only bullet trains. A voucher for a Rail Pass needs to be purchased from a travel agent in your home country before coming to Japan. More information can be found at : <https://japanrailpass.net/en/>

## Tokyo City

..is the largest metropolis in the world, with its unique contrasts in ancient and modern architecture – including temples & gardens, and the Emperor's Palace. Climb Tokyo Skytree or cross Rainbow Bridge on a driverless train. Then Tokyo really comes alive at night with it's spectacular neon streets. Exploring is easy with Tokyo's extensive system of trains and subways.

# TRAVEL & SIGHTSEEING - 3

## Tokyo's Surrounding Areas

There are some great day-trips outside of Tokyo. Head to Tokyo Disneyland in nearby Chiba prefecture, or see the giant Gundam robot in action in neighbouring Yokohama City. Visit the Cup Noodles Museum there too. Further away you might get a glimpse of Fuji-san in Hakone. Then there is the majestic big Buddha in Kamakura. To the north there is Nikko with it's incredible decorative temples and gorgeous waterfall. Enjoy!

# TRAVEL & SIGHTSEEING - 4

## Shinagawa City – Home of the Olympic Hockey Stadium

OHS is located within the Tokyo city ward called Shinagawa. As an important stopover from Tokyo on one of Japan's main travel routes, the Shinagawa area was historically a busy hub for travellers and merchants. Nearby Tokyo Bay also provided water traffic and seafood resources. Even today there are still remnants of this history, including famous temples and shrines, and a few old shops and inns.

Local tourist services can offer a number of cultural 'experiences' including bay-cruising on a traditional 'dinner-boat', a Buddhist zazen session, tea ceremony, lacquer-ware or traditional sweets-making. There will be a information booth from Shinagawa City at OHS to assist you with sightseeing ideas and booking tours. Click here!

## Shinagawa - Home of Hockey.... And Horse Racing!

The area near the hockey stadium is also very famous among Tokyo people for it's horse racing venue - Oi Keibajo. There aren't any actual races while the World Cup is on, but you can still enjoy the well-known colourful night-time illuminations at the track (Sat Oct 22nd & Sun 23rd Oct)

All World Cup participants will be receiving a Free Ticket at the Hockey Stadium on October 18th for the illumination show!

# GENERAL INFORMATION - 1

## Weather & Temperatures in October

Autumn is the best time of year to visit Japan, with comfortable temperatures 25-15°C. You will need a light jacket and a warm undershirt for the cooler days. Predictions are that this October may be a little wetter than usual so bring a fold-up umbrella just in case. Also bring a hat, sunscreen, and sunglasses for the sunnier days.

## Electricity and Sockets

The voltage in Japan is 100V while the frequency is 50Hz/60Hz in Japan and 50Hz in Tokyo. The sockets, as illustrated, will be used in all buildings and are compatible with A type plugs (the type with a two flat pins). Multiregion adaptors will be available to purchase at nearby convenience stores. Foreign appliances will most likely require adapters and/or transformers.

## Tap water

Tokyo's tap water is completely safe to drink and conforms to strict quality regulations. Bottled water is also available at convenience stores and out of the seemingly endless number of vending machines.

## Language

Standard Japanese is the main language in Japan, but Tokyo is becoming a much more foreigner-friendly city. Especially in the major tourist areas, English can be generally understood.

# GENERAL INFORMATION – 2

## Money

The yen (JPY, ¥) is the currency of Japan. Bills come in denominations of 10,000, 5,000, 2,000, and 1,000, although 2,000 bills are rare. Coins come in denominations of 500, 100, 50, 10, 5 and 1.

## Banks and ATMs

If you want to withdraw money from your own account in yen, many international banks have at least one Tokyo branch. Most major Japanese banks now accept international cards at their ATMs, as do the Japan Post Bank ATMs found in post offices. ATMs can also be found inside most convenience stores and shopping centres.

## Changing money

Money can be exchanged at currency exchange counters located mainly at banks, post offices, hotels and airports.

## Credit cards

Most major credit cards are accepted at major stores and facilities. When checking in to a hotel, they serve as identification in lieu of a cash deposit. Note, however, that there are still a few facilities that do not accept credit cards at all, and others may accept only certain types, so it is advised that you carry some cash at all times.

## Tipping

There is no tipping culture in Tokyo, so the final bill you receive at cafes, bars and restaurants is the final price that you need to pay. In some restaurants, a fixed percentage service charge is added to the bill.

# GENERAL INFORMATION – 3

## Free Wi-Fi Services

Free Wi-Fi is becoming increasingly available throughout the city. Many major hotels, coffee shops, restaurants and public facilities offer a free Wi-Fi service. However, for guaranteed internet access wherever you roam, pocket- Wi-Fi devices are available for rent from kiosks at the airport, or pick up a travel sim to fit into your existing phone.

### Tokyo Free Wi-Fi

Where: Around Tokyo

How: Select the 'FREE\_Wi-Fi\_and\_TOKYO' SSID, launch your web browser, tap "Access the Internet here" and follow the instructions on the screen.

Metro Free Wi-Fi + Toei Subway Free Wi-Fi

Where: 210 subway stations in Tokyo

How: Select the 'Metro\_Free\_Wi-Fi' or 'Toei\_Subway\_Free\_Wi-Fi' SSID, launch your web browser, and follow the instructions on the screen.

## Telephone Services

The country code for Japan is 81. When calling from outside of Japan, dial the international dialling access code, which differs by country, then dial 81.

# GENERAL INFORMATION – 4

## Noise

Tokyo and Oi Hockey Stadium can be a noisy place! The hockey stadium is in the direct approach line path for nearby Haneda Airport so there are times when there is continuous noise from multiple planes coming in to land - with some planes flying directly over the stadium. The large flock of squawking crows which live at the stadium don't seem to mind though.

## Typhoons

October is the end of the typhoon season, but if one hits Tokyo, it could bring destructive winds and flooding, causing competition to be disrupted for a day or so. Fortunately we have forecasting systems which can monitor such storms many days before they arrive. So please heed any warnings to stay indoors at such times.

## Earthquakes

Japan is a land of frequent earth tremors - most being very minor and almost undetectable. However if a very severe earthquake occurs, you must take precautions to protect your life. Indoors and outdoors watch out for falling objects and protect your head. Alarms will sound but avoid panicking, as this can cause injury. Fires could also be triggered so be ready to evacuate if instructed to do so. The evacuation area at OHS will be on the hockey pitches themselves. If you are travelling near the coastline, beware of tsunami warnings which may require you to evacuate to higher ground. Tokyo Bay near OHS is mostly a safe area from tsunamis.

## Emergency Phone Numbers

If you find yourself in need of assistance, dial the appropriate number : Police 110, Police (English) 03-3501-0110. Fire Emergency/ Ambulance 119

On many street corners, small police boxes - known locally as 'Koban', support the local area. Drop in for directions, lost and found, or any traffic related incidents.

# THANK YOU!

## Enjoy your hockey in Tokyo!
